Who We Are

United Pharma is a global, science leading Bio-Pharma organization offers technology, process and consulting services. With a simple vision to be choice of diverse customers and highly skilled employees with a larger purpose for the betterment of the society. We offer consulting services, resources and tailor-made applications to the pharmaceutical, biotechnology and medical device industries. Not only that we are stretching our services to Open Access Scientific Publishing and organizing Scientific Conferences too.

What We Do

At United Pharma, we do Quality control & Assurance, Validation Services, Pharmacovigilance, and Clinical Data Management Services. We are specialized in Validation services, our customers include from the Pharmaceutical, Bio-tech industry. Our Validation team travels across the globe and is capable of supporting small to large scale validation projects. Our Validation Services includes but not limited to – Equipment & Instrument Qualification, Cleaning Validation, Facilities & Utilities Validation, Process Validation, and Computer Systems Validation. The United Pharma is capable of delivering quality work from early proof of concept to late-phase clinical trials including post-launch product lifecycle management.

United Pharma Conferences and Journals is primarily engaged in providing high quality and efficient services in open access scientific publishing and organizing scientific webinars and conferences. Our open-access online scientific journals have well qualified and eminent Editorial Team and Virtual Webinars and Conferences have Outstanding Eminent People from WHO, FDA, European Medicines Agency, Top-Notch Pharma Personalities and Expertise Academic Professionals, Great Researchers as our Keynote speakers. We are expecting Industry professionals and Academicians of manufacturing/operations, compliance, quality, validation, regulatory and more as attendees.

United Pharma Conferences and Journals have come up with a comprehensive strategy and Sponsorship proposal which will best serve your company/organization/association needs and interests. The terms of this proposal are perfectly tailored to fit your business content and requirements.

United Conferences use a number of effective, finest marketing strategies and promotional approaches for all scientific conferences to spread to the large audience. By using our conference as a platform, you can reach out to a vast network of Industrial people i.e., CEOs of Organizations, Directors, Presidents, etc., Academicians i.e., Professors Associate Professors, Assistant Professors, Novice researchers, and Budding scientists and students.

United Conferences are an excellent way to showcase your company's products and services in front of decision makers and buyers in the pharmaceutical and allied industries. This will not only help you to gain knowledge on current trends of pharma industry and pharma research, also helps to build B2B associations. The conference podium will allow free registrations for your group to attend the conference depending on Sponsorship level you opted, have the banners at the top of virtual conference events, targeted and individualized interactions with attendees, and much more. Join us, gain the knowledge and grow the organization.

We offer tailor-made Sponsorships and Sponsor packages based on your requirements, please have a glance.
